LEMON GROVE CITY COUNCILMEMBER ELECT 2012

Putting People
and Community First!

Words can't express how much I truly appreciate your support during my campaign. Your donations, time, and dedication helped us reach out to many Lemon Grove voters, informing them about the need to increase public safety, build quality neighborhoods, and support economic development for our city.

I would like to especially thank all the volunteers who dedicated countless hours making phone calls, knocking on doors, placing yard signs, distributing literature, hosting fundraisers, waving signs, and urging friends and family members to vote. You name it, you did it... You are awesome!

This people-powered campaign was unstoppable because of you and now:
We can celebrate VICTORY!!
